Discipleship and Education Committee Presents in 2018 a number of opportunities for Regional Gatherings and Continuing Education

Help with Costs

Uniting Mission and Education administers a range of scholarships available to both lay and ordained members of the Uniting Church to do education and training. The purpose of the scholarships is to support the ministry and mission of the church, with particular focus on theological and lay training and continuing education. The scholarships range from support for short courses or workshops, to helping with longer-term graduate and undergraduate study.
